Work is the Word

Though the annual staff (in the picture above)
Often wondered, "Will it get done?"
I'm sure each one would agree when I say,
"It was a lot of fun."
Verna, as editor, really deserves
A medal of gold for her work.
So do her helpers, Gerry and Nancy,
Two girls who didn't shirk.
While Arvis managed the business end,
Mariam, Phyllis, and Stan
Wrote the history, prophecy, and will
As well as anyone can.
Another big job, the senior pictures,
Was given to Joanne P.
And the typists!-Their work was really superb,
As you can easily see.
The work on the lower class pictures was done
By Edna, Nancy M., and Joyce.
Lila and Jane did the pages of division;
For the pictures they used good choice.

Our correspondent was Dorothy M.
Many a letter she wrote.
The Hi-Y page, arranged by Ed
Is very well done, as you'll note.
Peety arranged the Y-Teen page,
Donna and Russell the band.
The pictures of the basketball team
By David and Duck were planned.
Bill did the Conservation Club page;
The chorus page, Joan T.
The football team- by John and Don;
The F. H. A. -by Janet P.
The Honor Society was done by Mariam M;
The cheerleaders by Marion J;
The Student Council by Stan and Joanne;
The Thespians by Nancy J.
And last but not least is Miss DuBois,
The advisor of us all.
We've worked so hard we hope you'll like
This book, which we will call-

Class History

Portrayed as meek little Freshmen, we entered into Stambaugh High school in the fall of 1948. At the beginning of our Freshmen year we were quite disturbed and confused by the changing of classes, the ringing of bells, and the idea of having new teachers for each class. After a few weeks we settled down and finally elected our class officers. The class chose: Stanley Holme-President, Jean Bezzi-Vice President, and Mariam Melchiori-Secretary-Treasurer. Our first class meeting was called for the purpose of teaching us parliamentary procedure. Plans were proposed for a Freshmen party at our next class meeting. This event turned out to be successful, except for a few unlucky incidents, the best remembered being the time John Parrotta spilled apple cider on Mrs. Waite's dress. The party proved to be the most outstanding activity of our Freshmen year.

After a joyous vacation, we came back in high spirits and elected Donald Sartorelli-President, Russell Goodhall-Vice President, Marion Jurecic-Secretary, and Nancy Miatech-Treasurer.

We lost two of our classmates, Carol Elgetti and Larry Johnson. Filling their vacancies were Verna Tervo of Iron Belt, Wisconsin, Lucille Warmington of Iron River, and Arlen Mattson of Bates.

Some of our classmates were members of the football team which won the Menominee Range and Upper Peninsula Championship. Some also were participants in the basketball squad which won the Menominee Range Co-Championship.

Our Junior year began with the election of David Anderson-President, Donald Halverson-Vice President, Grace Erickson-Secretary, and Edna Eckerberg-Treasurer.

The first business undertaken by the class was to choose the patterns for our class rings and then order them. We found, to our dismay, then they arrived, that most of us had made the common mistake of ordering too large a ring.

As in prior years, sports played an important and interesting part in our student life. The football and basketball teams did a fine job in upholding the honor of the school.

The inevitable problem of raising money faced us early in the school year and we decided to sell Christmas cards to relieve the financial strain. The outstanding affair of our Junior year was the Prom. For our theme we selected "A Dreamer's Holiday", and the gym was attractively decorated with a star-studded heaven, tulips,and a wishing well. We will never forget the thief who stole our pennies from the wishing well. The case still remains unsolved. The leaders of the Grand March for the occasion were David Anderson as king, and Donna Hebert as queen. All was a colorful and joyous affair.

The thrill of our Junior year was Class Day, when we juniors moved to the front row to take the seats of our fellow Seniors. Finally we had reached our goal as Seniors!

As we approached our senior year, we realized that we were now on the last lap of our journey through school. Our attention, much as in prior years, was centered on the election of our class officers. Reliability and efficiency were the two qualities which were necessary in choosing our candidates. After much debating, we finally chose as officers Arvis Rhino-President, Lowell Lepisto-Vice President, Joan Savage-Treasurer, and Phyllis Nowicki-Secretary.

Losing Lucille Warmington from our class roll Joan Tamminen of Newberry, Michigan was taken in her vacant space.

Finishing the season as Upper Peninsula and Menominee Range Champions, we were proud of our football team, and especially because some of the boys from our class had helped to make this success possible.

Deciding at our first class meeting to raise money for our treasury by selling magazines, we elected as our business manager for the sales campaign Chester Busakowski, better known to his classmates as "Big Chief". The team captains for the event were: Donald Halverson, Stanley Holme, Grace Erickson, and most important, the leader of the winning team, Mariam Melchiori.

Following our Christmas vacation, we had our graduation pictures taken. Most of us found the results to be satisfactory.

We, as Seniors of 1952,now wait anxiously for activities which make graduadion a happy time --Class Day, Awards Day, Baccalaureate Service, the Senior Banquet,and last, but far from least, the long-awaited graduation night. We will never forget our four pleasant years in high school. The embarrassing and happy moments, ws well as the more serious ones, make up the memories that we will take with us. We have had our share of knowledge and joy, and now are on our way.

Class Prophecy

Scene 1.-ANYWHERE

Elaine Miller, Janet Pivonka, and Gloria D'Agostini did not beleive what they had learned in Geography; therefore, embarked on a world-wide tour to see what the books had told them. They all married and settled in Arabia.

Curtis Mackey is now laid up with, "lumbago" resulting from too much strenuous exercise in teaching his kids the antics of a cheerleader.

Marion Jurecic and Donald Sartorelli believe that a household is not happy without the patter of little feet--they have two dogs.

June Savage is the chairman of the Board of Directors in the "Spankem" Baby-Sitters Association.

Verna Tervo liked being editor of the annual so well that she is now in the publishing business, with Russell Goodhall as her manager and advertising promoter. Their firm mow produces everything from dictionaries to sympathy cards.

Violet Mangone is a real musician. She now plays second fiddle in Bob Swienty's Trio.

John Sanderlin is Clyde Beatty's right-hand man. Recently John was wounded by a dinosaur while hunting them in the petrified forests of Arizona.

John Parrotta has just graduated from Yipahoody College of Conservation. He specialized in "wild life".

Mariam Melchoiri has used physics to a great advantage. She combined the lever machine with sound, and got a little "lever noise". (Levernois).

Edward Erickson is the chief "apple polisher" at the A & P Supermarket in Iron River.

Ronnie Camps still spends his winters in Key West, Florida, He and "Harry" are frequent visitors.

John Erickson is leading the St. Louis Browns to the league championship. He always was a Brown fan. His wife, Marion, enjoys the luxurious living.

Since Arlene Meyer has taken over the management of Pedo's Super-duper Market, sales have increased so tremendously that Arlene is considering moving the store to the National Guard Armory, where plenty of room is available.

Edna Eckerberg is busy raising a family. She was always fond of "tree-toads".

Gloria Medovich has just published her second book on "How to be a Man-Hater". In her spare time she runs a bus line to Iron River.

Margaret Varney is the first woman mayor of Gendronville, a prosperous locality at Hagerman Lake.

Donald Halverson is the head coach at Waybeloe Normal. As a pastime he raises chickens and ducks.

June Westphal is still on her wild mission through Africa---oops!---I mean mission through wild Africa.

Dorothy Mickelson stumbled upon a catastrophe, I mean an apostrophe, while transcribing a letter for her boss. Dorothy is a perfect secretary.

Baynard Anderson has turned to the manufacture of Model "A's". His cars have one fault; they're like grandfather's clock---don't know if they'll run or not.

Lila Nichols is the new playing manager of the Florence baseball team. Lila gets "beaned" more than any other player on the squad.

David Anderson is the present Marajah of Scratchistan. At the last report, his harem consisted of thirty-nine wives.

Robert Brey is employed at the Caspian Community Center as La Belle ringer.

Delores Garavet is a nurse in the South Brule Community Hospital. It is said that when she enters a ward, the males' pulses rise.

Donald Maki and Peter Basolo have recently erected a shrine in Hardy's Junction dedicated to Isaac, the immortal fullback of the Spring Valley football team, which in 1951, copped the Inter-universe Championship.

"THE MOVIE STARS ARE STILL MOVING TO MUTUAL" Lowell Lepisto has taken over Errol Flynn's role on the Mutual Broadcasting System as the star in the "Adventures of a Modern Casanova".

Ed Jacobson, a famous movie star, was voted "Lover of the Year", besides winning two Oscars for his superb role in the M-G-M film "Girls Do Something For Me". He never kisses girls on the screen, he merely rubs noses.

Gene LaVacque operated a modern art studio above Girard's in Caspian. Donna Hebert and Jean Bezzi provide the scenery for Gene's paintings.

"Susie" Lundwall, an opera singer, is now on a Barnstorming singing tour of the world with Kate Smith. Susie still has a bucket to carry her tune in.

Geraldine Sundelius recently bought out the Bushie's store. She has changed the name from the "Fairway" to the "Gypway".

Carole Jean Dedo was last seen on Michigan Avenue in Chicago advertising S-A-P bubble gum. This gum has a two-way stretch.

Kenneth Masuga is a "disk jockey" on WIKB for a two hour and thirty three and a third minute program called "Girard's Jamboree".

Rose Marie Shepich has gained her life's ambition. She is Chalmer's model wife.

Janet Christensen is now retired, a millionnaire, after receiving so much money dancing for Victor records.

Phyllis Nowicki and Bill Olsen have settled on Bill's "Stony Acres" farm near Gaastra. Phyllis does the milking, plowing, planting, and threshing, while Bill swats flies in the house.

Donna Capello always wanted to be a teacher. She is now teaching her little Tegge's how to drum just like "daddy".

Joan Savage is the assistant manager of the Salo Creme Shampoo factory in Beechwood.

Davis Bodine, a famous explorer, has returned from a trip into Upper Moronia. It is said that, while there, he discovered the long-lost tribe of Morons.

Nancy Jacobson and Joyce Choquette, the mad chemists, are working at their laboratory in the swamp back of Scott Lake. They have proven Einstein's Theory of Relativity as being false. They released their amazing Theory of Men.

Donald Pellizzaro, who is the sports editor for the South Brule Blast, is still sending the scores of all the Newberry basketball games to

Joan Tamminen, who is president of the Finnish colony at Soo Junction.

"Peety" Mallen and Joan Peruzzi were offered lifetime contracts by the Catskill Screams Opera House. Because of their tremendous performance of "Temptation" in high school, Joan and "Peety" also are stars in the "Grand Ole Opry", along with Grace Erickson. When Minnie Pearl died, Grace took over the role, and seems to be doing pretty well.

James Goodhall struck oil while plowing the potato fields at Kinney's potato farm in Pentoga. With the money Jim received, he has built a modern school, a hotel, two motels, a supermarket, two garages, a church, and is now constructing fifty new homes to house the throngs of families who are moving daily to Pentoga.

Doris Sutherland holds the position of head cook at the Brown Derby restaurant located at Hollywood and Vine in Hollywood. Her specialties are English pasties.

Tullio Berti is employed at the Ford Garage. He had his car there to be fixed so often, that he thought he may as well work there.

Maxine Vicenzi has moved to Houghton to be near her "hubby". After all, it's quite a job for one woman to care for the world-famous "Wercinski Octuplets".

Stanley Holme, the Shakespeare of the class, has accomplished his life's ambition. Stanley writes inscriptions on tombstones.

Scene 2.-THE CEMETERY

The moon is low in the sky. There is a west wind blowing. Several witches are walking among the tombstones reading the names inscribed on them:

"Here lies Beverly LaVacque, who still turns over in her grave because people insist on placing flowers at her tombstone each Memorial Day. Beverly operated a floral shop in Caspian.

Here lies Stanley Mastie, who was a Michigan State Police. Over there lies Jane Jochem, who died arguing with Stanley about who should collect the tolls at the Brule River Bridge.

Pat Cain, "Known to the world for her invention of a thermometer that will register only at sub-zero temperatures."

Here at rest is Jerry Kinney. Jerry peddled papers for seventy-five years, but died before he could receive the pension offered by the news company.

It was a sad day when Beverly Williams met her death. She was killed when she fell fourteen inches to the ground from a "catwalk" on Beaber Dam.

Here are fifteen little tombstones and two big ones. They are graves of the whole Rhino family. It is said that Arvis and Joanne had an old school bus as a family car.

James King lies here in peace. He was killed in a "hot-rod" race. His Nash blew up when its speed reached 150 m.p.h.

Dennis Truel and Chester Busakowski shot each other in a duel over "who was whose" in Amasa.

Nancy Miatech, born 1934, died 1983. Nancy was instantly killed when she fell off the Baumgartner District water tank. She was practicing for her high-wire act in the Ringling Brothers' Circus.

Here is a grave that is higher than the rest. This person hasn't settled down yet. The tombstone reads, "Gerald Grahn, past president of the Women Haters' Club. He sure was a fittin' president."

THE NATIONAL ASSOCIATION OF HIGH SCHOOL PRINCIPALS ORGANIZED THE NATIONAL HONOR SOCIETY IN 1921 WITH THE END IN VIEW OF STIMULATING SCHOLARSHIP AND WORTHY PERSONALITY DEVELOPMENT. TODAY THERE ARE OVER 2,700 CHAPTERS IN THE BEST HIGH SCHOOLS IN THE COUNTRY. IN 1935 STAMBAUGH HIGH SCHOOL WAS AWARDED THE PRIVILEGE OF ORGANIZING A LOCAL CHAPTER IN THE NATIONAL HONOR SOCIETY OF SECONDARY SCHOOLS. FOR THE PURPOSE OF SELECTING AN APPROPRIATE NAME FOR THIS ORGANIZATION, A FACULTY COMMIT* TEE WAS APPOINTED TO INVESTIGATE THE HISTORY OF LOCAL PIONEER LEADERS WHOSE LIVES MIGHT SYMBOLIZE THE FOUR IDEALS OF THE SOCIETY. THE NAME, LAFAYETTE MCQUOWN CHAPTER OF THE NATIONAL HONOR SOCIETY, WAS REPORTED AND OFFICIALLY APPROVED AS THE NAME OF OUR CHAPTER.

THE OBJECTIVES OF THIS SOCIETY ARE: TO ENCOURAGE SCHOLARSHIP, TO STIMULATE A DESIRE TO SERVE, TO CREATE WORTHY CHARACTER, AND TO DEVELOP CONSTRUCTIVE LEADERSHIP. STUDENTS WHO SCHOLASTICALLY RANK IN THE UPPER THIRD OF THEIR CLASS ARE AUTOMATICALLY CANDIDATES FOR MEMBERSHIP. FIFTEEN PER CENT OF EACH SENIOR CLASS MAY BE EVENTUALLY ELECTED FROM THOSE CANDIDATES WHO RANK HIGHEST IN CHARACTER, LEADERSHIP, AND SERVICE IN HIGH SCHOOL ACTIVITIES.

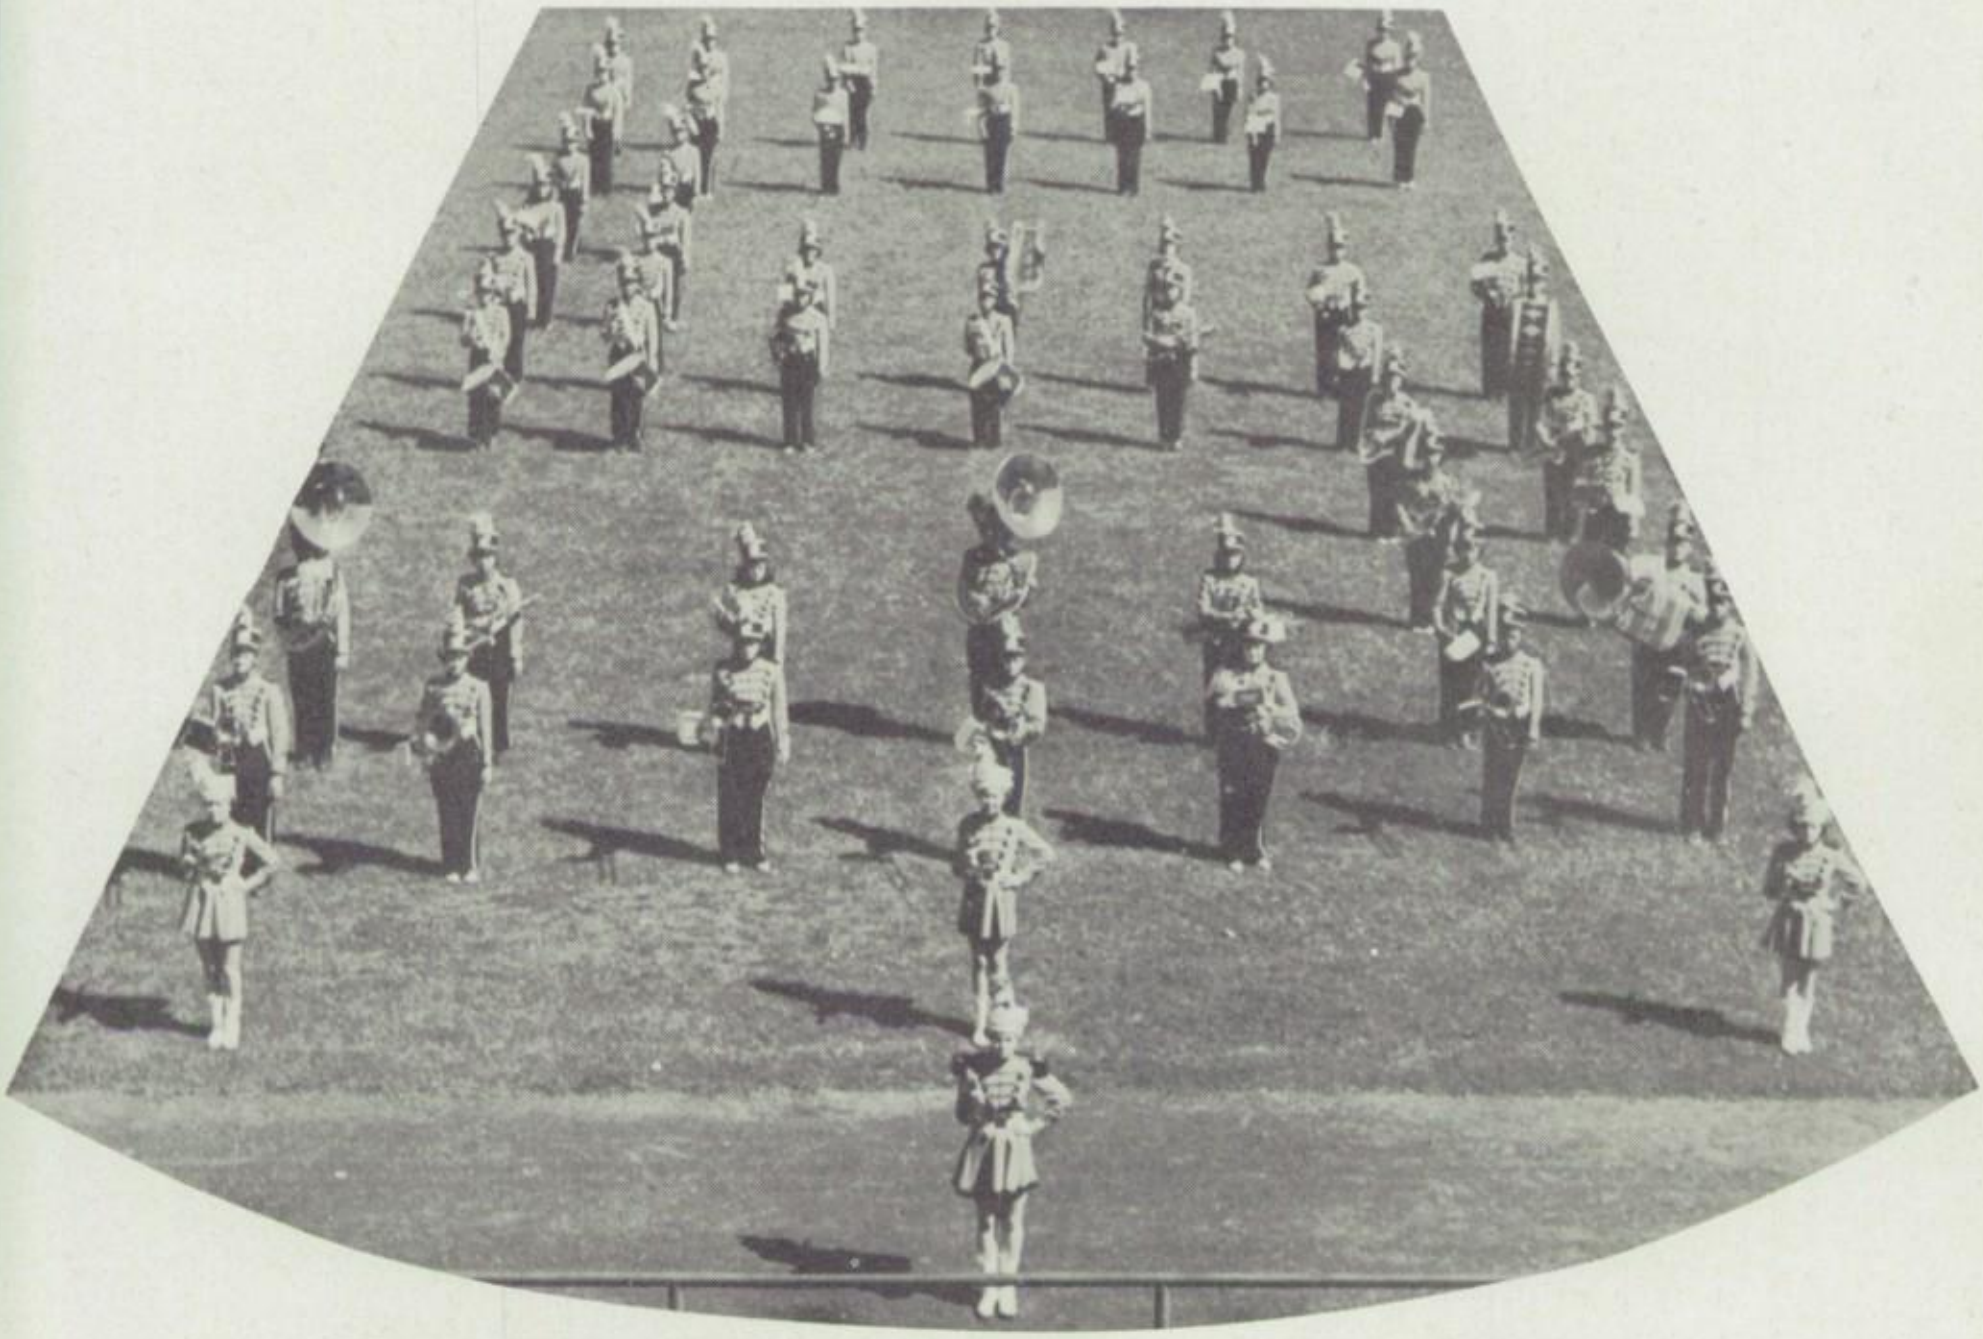
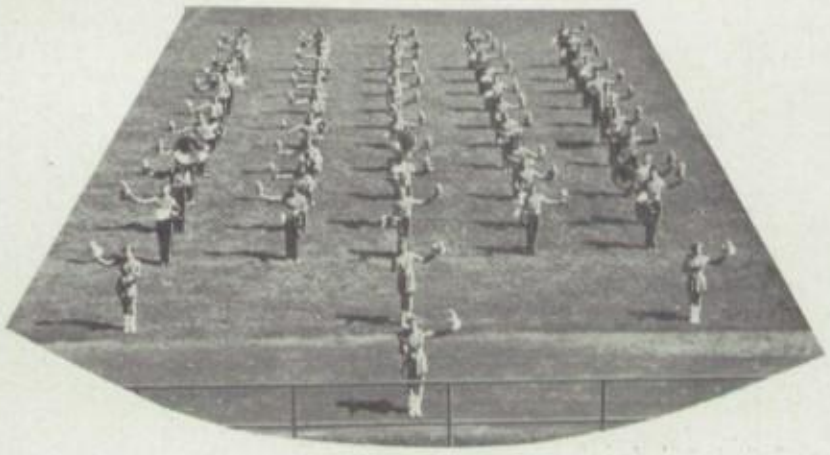
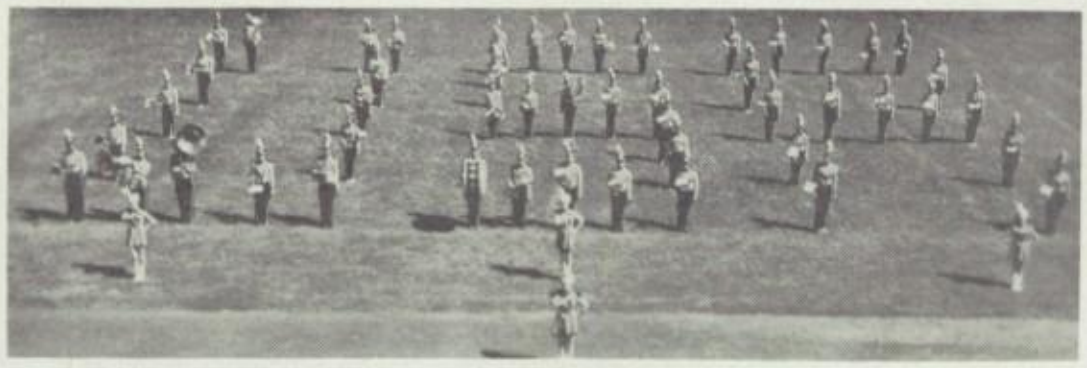
Marching Band







Our Band trip to Ann Arbor last fall to participate in the Michigan-Indiana game was a memorable one in many ways, and one that should not be considered much more than a good experience for our bandsmen.

This trip was a joyous event for seventy-four bandsmen because it represented a visible culmination of their faith in a group of committees which had shown a remarkable spirit of mutual cooperation and determination in backing their band in a worthwhile project. The respect of other people for such committees was mirrored everywhere we traveled, and made us proud of the "Stambaugh Township Schools", which was seen on the sides of our buses.

Stambaugh-52 Negaunee-6

Stambaugh opened it's "51" season by trouncing Negaunee at Nelson Field. The Stambaugh eleven showed immense power through the air and on the ground as they uncorked eight touchdowns and added four extra points. Outstanding performances of Don Halverson and John Erickson were the featured high lights of the game.

Stambaugh-27 Norway-6

Our team started range competition by defeating Norway by a score of 27-6. The almighty Hilltoppers took the ball on the opening kick off and marched to the Norway three yard line where a pass by John Erickson to Don Sartorelli was good for a touchdown. A few plays later Norway scored to close the gap. Stambaugh, proving to be superior, added three more touchdowns. Outstanding line play was credited to Don Maki, Lowell Lepisto, and Bill Rae.

Stambaugh-7 Iron Mountain-6

The team had the stamp of a typical Stambaugh eleven, rugged line play, and alert defense which proved to be all that was necessary to defeat the big and powerful Iron Mountain eleven. The Mountaineers scored the first touchdown in the second quarter. Their first kick was good, but was nullified because of an offside penalty, and their second try for an extra point went wide. Stambaugh countered with a touchdown midway in the fourth quarter, when Tom Shepich blocked an Iron Mountain punt on the one yard line and recovered it. Zanon hit the middle of the line twice before reaching pay dirt. Ed Erickson's first kick was cancelled because Iron Mountain was offside. His second kick was good and proved to be the point that won the game. Honors for fine defense play went to Lowell Lepisto, Bob Brey, Ed Erickson, Bill Rae, Pete Basolo, Stanley Holme, and Don Maki.

Stambaugh-26 Niagara-6

A crippled team managed a surprisingly easy victory at Niagara, cruising along for a 26-6 victory to boast a record of four straight victories for the season. Outstanding players were Curt Mackey, Don Sartorelli, and Ray Stefani.

Stambaugh-6 Iron River-0

In the long awaited Stambaugh-Iron River game, Don Sartorelli's forty-three yard punt return made the score 6-0. After Sartorelli's spectacular run, the game turned to tight defensive play and hard tackling. However, our boys could not be defeated. Although Iron River was ahead in statistics, neither team seemed to be outplayed at any point. The line play was outstanding. Lowell Lepisto was the most outstanding line man of the field, laying key blocks and tackles.

Stambaugh-13 Kingsford-6

The Menominee Range Championship was cinched by our defeating Kingsford 13-6. In the hard fought first half Stambaugh managed to push over a touchdown on a strong Kingsford team. Their lead was soon wiped out when Kingsford drove for a touchdown on the opening kick off of the second half. The third quarter was studded by a few nice passes and runs by our team, but they could not push the ball over the goal line. Nearing the end of the game Don Halverson faded back and flipped a pass to John Erickson, who went all the way to the five yard line. Four plays later Frank Zanon plunged over, giving Stambaugh the victory.

Stambaugh-6 Ishpeming-0

The surprisingly tough Ishpeming team battled the unbeaten Hilltoppers to the last two seconds of the game, where by a touchdown pass was completed from John Erickson to Lowell Lepisto. Spectacular play was credited to Lowell Lepisto, Don Sartorelli, John Erickson, and Tom Shepich.

"STAMBAUGH WINS RANGE CHAMPIONSHIP"

The Stambaugh Hilltoppers, under their new head coach Ed Kukuk, battled their way to the Menominee Range Championship with an impressive 10-2 record. The regular season record was 11-4. Starting slow, winning two and losing three, the Hilltoppers came back after the Christmas vacation to cop nine of their last ten games, and were rated one of the powerhouses in the Upper Penninsula. Stambaugh had to fight to the wire for the Range Championship, being pressed all the way by a surprising Niagara five. The title came after a tough battle on the Norway court, Stambaugh winning there for the first time in nine years. John Erickson, Stambaugh's versatile pivot man, set a new school scoring record of 301 points during the regular season.

"B" TEAM WINS CONFERENCE TITLE

The Stambaugh "Bee" squad made a clean sweep of range honors by winning the "Bee" Championship, from Iron Mountain, with a score of 49-39. Previously they had defeated their rivals, Iron River, in the semi-finals, 35-29. During the regular season, the "Bees" obtained a 9-3 record. Two of the losses came at the hands of the same Iron Mountain squad whom they also defeated in the tournament.

Members of the starting five were: George Young, Ray Stefani, Tom Trudell, Tom Shepich, and Eugene Mottes. They were coached by Willard Anderson.
